In connection with our investigation into the burglary of the Media Resident Agency during the night of March 8, 1971, SAC Roy K. Moore, who is handling the special at Philadelphia, has advised 12 of the 25 Agents assigned to the Philadelphia Division on the special have returned to their field offices of assignment. Two more are scheduled to return this weekend, leaving a balance of 11, including SAC Moore.

We have discontinued the electronic surveillance of the cabin in the Pennsylvania mountains where it had been anticipated discussions would be had between break-in leaders and our Philadelphia source relative to future break-ins. John Peter Grady, who has been developed as the principal subject in Medburg and the instigator of the majority of draft board break-ins throughout the East Coast, never appeared at the cabin as he stated he would. There is no indication his failure to appear was due to anything else but irresponsibility on his part. Our informant continues to maintain contact with others of the Berrigan group, and it is hopeful information pertinent to this investigation will be obtained through this source.

Of primary interest is the fact our investigation in the Camden, New Jersey, area has resulted in the location of Grady, his hideout, and the insertion of another source into a group which is led by Grady and which is currently planning a "hit," presumably on a draft board and/or Army Intelligence office in the Camden, New Jersey, Federal Building. Our informant has established himself with the group and is in a position to be aware of detailed plans relative to this proposed hit.

The break-in has been tentatively set for the weekend of July 17 - 18, 1971. However, definite arrangements have not as yet been formulated. Appropriate safety measures have been instituted to protect our Camden Resident Agency, which is in the same building. As previously indicated in our memorandum of June 28, 1971, dealing with the latest phase of our investigation, it is imperative no dissemination be made of this information outside the FBI at this time. When full facts become known, consideration will be given to disseminating this information on a need-to-know basis. It is our

Re: MEDBURG

intention that by careful planning we may be in a position to apprehend those participating in this new break-in (15 to 25 individuals) during the actual attempt. We hope to link many of these individuals with the Media break-in.

By memorandum dated June 24, 1971, reference was made to the feasibility of conducting a grand jury hearing into Medburg. It was recommended and approved that no action be taken along these lines until the discontinuance of our electronic surveillance at the Pennsylvania cabin. In view of the fact our current inquiries have resulted in our being in a position to anticipate a hit by the Grady group within the next two weeks, any grand jury action would obviously adversely influence Grady's plans for his newest break-in.

ACTION: If approved, we will continue our efforts along the lines set forth above, and no discussion will be had at this time with the Internal Security Division relative to a possible grand jury hearing on Medburg.

This is to summarize the current status of our investigation of captioned matter and to consider future plans in connection with the development of information indicating a planned break-in at the Post Office Building, Camden, New Jersey, scheduled for July 25, 1971.

John Peter Grady, a close associate of the Berrigan brothers, according to several sources, claims to have planned and participated in the Media burglary. He was allegedly assisted by Fathers Joseph O'Rourke, Peter Fordi, and Edward McGowan. In addition, at least three other alleged associates of the Berrigan group are believed to have participated. Through information recently developed, Grady has been pinpointed as the individual who masterminded at least 14 of the 18 break-ins of various Government facilities during the past two years. He currently heads up what is termed the "action group" and is reported reliably as being a staunch advocate of "hits" on Federal facilities as a means of embarrassing the Federal Government.

During the past several weeks, we have been successful in inserting a highly productive source into a group led by Grady which is presently planning a break-in of the draft board office with alternate targets being Military Intelligence and the FBI Resident Agency, all located in the Post Office Building at Camden, New Jersey, a Government reservation. The early morning hours of Sunday, July 18, 1971, was the original target date. However, Philadelphia has now reported that, in all probability, the hit would be delayed until July 25, 1971, in order to allow elements from the Newark, New Jersey, area to participate. Under the direction of SAC Roy K. Moore, on special Medburg assignment, with the cooperation of SACs, Philadelphia and Newark, arrangements have been perfected aimed at apprehending these individuals red-handed. Hopefully, O'Rourke, Fordi, and McGowan will participate in the Camden break-in as well as others involved in the Media burglary. Precautions have been taken to cover our Resident Agency at all times. In addition, personnel are on continual alert to swing into action should the hit date be unexpectedly advanced.

Memorandum to Mr. Sullivan
Re: Burglary of FBI Resident Agency
Media, Pennsylvania, 3-8-71

With respect to the proposed Camden break-in, it was recognized from the outset that secrecy was imperative--both from the standpoint of protecting our source who has successfully associated himself to a very close degree with Grady and, more important, insuring there be no leak which would scare off Grady and his group. By memoranda June 28 and July 7, 1971, we pointed out the importance of keeping these plans confidential, it being imperative that there be no dissemination outside the FBI at this time. It is SAC Moore's recommendation we not alert at this time any agencies having an interest and/or located in the Post Office Building. This would include General Services Administration, the military, Selective Service, and Postal authorities. To do so might result in activity which could very well alert the alleged perpetrators who are very sensitive to any unusual activity and who have the Post Office under surveillance.

It should be noted the Internal Security Division of the Department has requested it be advised of all matters having any possible connection with the Berrigan group. None of the individuals known to be planning participation in the Camden break-in are among those indicted with Berrigan in the Eastcon case. Nevertheless, it appears persons associated with the Berrigan group are involved in the planning of the Camden break-in and all seem to be inextricably intertwined in the Berrigan and Eastcon philosophies.

It is also noted that in a memorandum dated March 29, 1971, the Internal Security Division indicated, in view of the interest of that Division in those individuals associated with Eastcon and the Berrigan supporters, they desired the Media case be handled in its entirety by the Special Litigation Section of the Internal Security Division. They also requested that in addition to communications, all prosecutive presentations should be made to the Special Litigation Section.

ACTION: In view of the above developments indicating a tentative action date for July 25, 1971, it is recommended this matter be presented at this time to the Special Litigation Section well in advance of the target date in order that there can be no question concerning the propriety of our proposed action. The Bureau obviously must fulfill its responsibilities in this case which might involve the apprehension of from 15 to 25 individuals in the commission of the intended break-in of the Post Office Building. In order to preclude as much as possible any unforeseen difficulties,

it is recommended that SAC Roy K. Moore, who has the responsibility for the overall direction of this situation, be immediately instructed to report to Bureau Headquarters for a full discussion of his proposed plans. If approved, SAC Roy Moore, representatives of the Special Investigative Division and General Investigative Division, and Mr. Dalbey will present this matter to the Special Litigation Section of the Department with reference to the contemplated prosecutive action in the event a break-in should occur.

DETAILS

On January 27, 1972, Investigative Clerk ROBERT C. KEARNEY contacted Sergeant JOHN DEVLIN, Philadelphia Police Department and was advised that arrest reports and related documents are destroyed after two years of storage. He advised that the only information available would be that of the subject's criminal record. It is noted that office of origin is in receipt of criminal record.

On February 9, 15, 23 and 25, 1972, attempts were made to contact PHILIP TRACY through the "Village Voice", 80 University Place, New York, New York, with negative results.

On March 8, 1972, inquiry at the "Village Voice", 80 University Place, New York, New York, revealed PHILIP TRACY was presently out of town and expected to return sometime next week. Attempts to determine his present location and/or some means of immediate contact were met with a negative response.

NK 89-56

During the past two months numerous attempts have been made in person and telephonically to contact PHILIP TRACY, reporter, through the "Village Voice". On each occasion receptionist personnel of the "Village Voice" advised that TRACY was not there at the present time, that they had no idea as to how to contact him nor a telephone number where he could be reached, but they would take a message for him. On each occasion a message was left but never answered.

On March 31, 1972, Special Agent (Accountant) ROBERT H. WALLER and SA MARTIN J. GASS observed DALE SPEERS CUNNINGHAM driving a blue Ford convertible with California license 710-DOL.

The following investigation was conducted by SC ELIZABETH O'LAUGHLIN at Sacramento California:

On April 12, 1972, a check of vehicle registration records, through the California Law Enforcement Telecommunications System (CLETS), revealed that California license 710-DOL is registered for 1972 to KOREAKI OGATA, Department of Biology, University of Pennsylvania, Philadelphia, Pennsylvania, for a 1966 Ford convertible. No stolen stops on file.

A check of driver's license records, through CLETS, reflects the following description of OGATA:

Name	KOREAKI OGATA
Date of Birth	April 5, 1943
Sex	Male
Height	5' 6"
Weight	130 pounds
Hair	Black
Eyes	Black
Marital Status	Single
California driver's license number	N722888
Mailing address	Department of Biology Stanford, California
Residence address	27261 Black Mountain Road Los Altos Hills, California

NK 89-56

On May 4, 1972, Assistant United States Attorney (AUSA) JOSEPH AUDINO, Camden, New Jersey, advised that a trial date has not been set in this matter. He stated that he thinks it will be handled in the Fall of 1972.

SAC Roy K. Moore in charge of captioned investigation indicated today information received from informant indicated strong possibility an attempt will be made by John Peter Grady and his group to break in the Federal Building at Camden, New Jersey, and thereafter destroy and carry off records of the draft board and military intelligence.

The Department has indicated that should the break-in be consummated, those involved should be arrested. In the event Grady and his group are on the scene with apparent intent to break in but stop short of such action, the Department has indicated they should be taken into custody.

SAC Moore advised Philadelphia and Newark Agents are being deployed in a position to take whatever action is appropriate.

Reverend MILO MARION BILLMAN, white male American, born April 20, 1934 at Sharon Center, Ohio, residence 21 North 4th Street, Camden, N. J., was again advised of the identification of the arresting and interviewing agents and also again advised of the fact that he was being arrested for conspiracy in connection with the break-in of the Selective Service System Offices in the Post Office Building at Camden, N. J. Mr. BILLMAN was then presented an Interrogation; Advice of Rights form and asked if he was able to read and write the English language. Mr. BILLMAN advised he was able to read and write the English language and he advised he was a college graduate having completed four years of post-graduate work. Mr. BILLMAN then read the advice of rights and waiver of rights form as presented to him by SA DONALD REX EGELSTON. Mr. BILLMAN was asked if he thoroughly understood what his rights were and he advised, "I understand what my rights are." He was then asked, "Are you sure you understand," and Mr. BILLMAN advised that he did understand what his rights were.

Mr. BILLMAN was then asked by SA DONALD REX EGELSTON would he acknowledge that he had been advised of his rights by agents of the FBI and he advised, "Yes, I have been advised." Mr. BILLMAN advised that he did not wish to sign the advice of rights waiver form and he requested that he be able to make a telephone call to his attorney. Mr. BILLMAN was advised by SA EGELSTON that immediately upon receipt of information from Special Agent in Charge ROY K. MOORE that the building had been secured and that agents and suspects safety could be assured he would be allowed to make any number of telephone calls which he wished, including those calls to his family or to his attorney. Mr. BILLMAN advised that he understood this. BILLMAN stated he did not wish to discuss the break-in.

Mr. BILLMAN was then asked by SA EGELSTON if he had made prior arrangements with his wife as to what should be done in the event he was arrested. Mr. BILLMAN advised that he had expected that he might be arrested for either

"this or the other one." During the conversation SA ECKELSTON asked if he had a moral obligation to the people who he served in his community and Mr. BILLMAN advised, "Yes, I also have an obligation to the 27 year olds."

SA ECKELSTON then asked Mr. BILLMAN why would anyone want to break-in to a draft board now in view of the fact that Congress is presently endeavoring to make changes within the Selective Service System and that at the present time no one is being drafted, and that it appears that any action against the draft board appears to be useless at the present time. Mr. BILLMAN stated, "The poor people can't wait for government to react. It reacts too slowly to the problems of the poor people, that something has to be done now."

Mr. BILLMAN was then given a copy of the Sunday "Philadelphia Inquirer," and he opened this copy and began to read it. He then pointed to a picture in the newspaper showing a fire in downtown Camden and stated, "Here is the real crime, people are dying. Why don't you do something about that, instead of draft board break-ins." SA ECKELSTON advised him that the FDI had no jurisdiction in the matter in Camden. BILLMAN said, "Why don't you do something about the crooks, Mayor NARDI and Police Commissioner YEAGER." SA ECKELSTON advised him that if he wished to present any information concerning irregularities in office concerning Mayor NARDI and Police Commissioner YEAGER he would take this information down. Mr. BILLMAN made no further comments concerning Mayor NARDI and Police Commissioner YEAGER.

On August 22, 1971, at approximately 4:32 a.m., SA TERRENCE P. NEIST and SA LAWRENCE KARL YORK went to the door of the residence located at 21 North Fourth Street, Camden, N. J. SA NEIST displayed his credentials to the individual who came to the door. This man was later identified as ERIC BILLIAN. SA NEIST announced that he and the others were Special Agents of the FBI and that they were there to execute arrest warrants.

SA JAMES J. FINLEY, SA RICHARD J. BERNES, followed by SA TERRENCE P. NEIST and SA LAWRENCE KARL YORK, then entered the residence, through the open front door and immediately SA FINLEY and SA BERNES entered the front living room located at the right of the hallway on the first floor and observed JOHN PETER GRADY lying on the floor at the west end of the room, near a couch. GRADY was wearing a white T-shirt and dark blue trousers and had no shoes or socks.

SA FINLEY immediately identified himself to GRADY as a Special Agent of the FBI and he informed GRADY that he was under arrest for a violation of Federal law. SA FINLEY and SA BERNES then pulled GRADY to his feet and searched him for weapons. He was then handcuffed by SA NEIST and removed to a Bureau automobile parked directly in front of 21 North Fourth Street, Camden, N. J.

After GRADY was placed in the rear seat of the car, he was advised of the identities of SA LAWRENCE KARL YORK and SA TERRENCE P. NEIST and was again informed by SA YORK that he was under arrest. SA YORK advised GRADY that he was being charged with Conspiracy and was being arrested based on a warrant issued by U. S. Magistrate CHARLES RUDD, Camden, N. J. GRADY's shoes were then brought to him. He was then transported to the U. S. Post Office and Courthouse, 401 Market Street, Camden, N. J. Continued. GRADY was taken to Room 304, where he was searched.

The following items were taken from GRADY:

1. One Galton Decoral stopwatch.
2. One gold penknife.
3. One black key case containing four gold keys.
The case had a piece of paper taped to the outside with the name "BILL" and an "A" with a circle around it.
4. Two loose keys, one bearing letters "GM."

Several times GRADY asked to be allowed to call his attorney, at which time he was told that he would be able to call his attorney once he was booked and the security of the other FBI personnel was assured. GRADY refused to identify himself and refused to provide any background information about himself whatsoever. GRADY refused to sign the property receipt.

SA WEIST provided GRADY with an "Interrogation; Advice of Rights" form, which GRADY read, and stated that he understood his rights, but declined to sign the waiver form because he wanted to talk to his lawyer. GRADY declined to provide handwriting samples.

At 7:01 a.m., SA MASON P. SMITH appeared at Room 304 and advised GRADY that he was going to take his photograph and asked GRADY, who was seated in a chair, to stand up. GRADY refused to stand up and refused to look up. At that point, SA SMITH again requested GRADY to stand up and he again refused. Agents SMITH and WEIST took GRADY by his arms and lifted him from the chair, at which time GRADY started to struggle. At that instant, SA YORK secured GRADY's right arm and placed a handcuff on his right wrist and then secured GRADY's left wrist and handcuffed him behind his back. As SA SMITH started taking photographs, GRADY started straining and pulling at the handcuffs behind his back and he was heard to grunt and breathe heavily.

Shortly thereafter, GRADY stated that his arm hurt and SA YORK removed the handcuffs, at which time GRADY displayed

the inside of his right wrist which revealed a small abrasion or cut which was oozing a small amount of blood.

SA YORRI used a clean handkerchief and it was applied to the abrasion and the bleeding stopped. SA YORRI applied Zechin's Ointment from a first aid kit located in Room 300 to the abrasion. The rest of the photographs were taken of GRADY without his cooperation.

GRADY was later taken to another room where he was fingerprinted and additional photographs were taken without incident.

At 10:11 a.m., and 11:12 a.m., GRADY made two telephone calls from a pay telephone booth on the third floor of the Post Office Building.

At the time she was in the custody of SA's DEBAUDT and TIERNEY, she was searched by SA DEBAUDT, and three articles were removed from her person, including two 3" x 5" cards and one "Flair" pen.

Once she was in the custody of SA SNODGRASS, she was taken to Room #418, in the Post Office Building, and remained there in the custody of SA SNODGRASS. Date 8/28/71

JOHN ROBERT SWINGLISH was arrested at 21 North Fourth Street, Camden, N. J., at 4:39 a.m. He was in the living room at this address. At the time of arrest he identified himself as JOHN SWINGLISH. He was given a quick search, handcuffed, and then taken outside and placed in a Bureau car.

SWINGLISH was orally advised of his rights, that he had the right to remain silent, that anything he said could be used against him in court, that he had the right to talk to a lawyer before questioning, and that if he could not afford a lawyer one would be appointed for him before questioning. He was also advised that if he answered questions he could stop at any time until a lawyer was present. He was also advised of the charges against him.

At this time SWINGLISH stated that he did not want to answer any questions and that the only reason he gave his name was that he had a drivers license with his identification and picture in his pocket.

SWINGLISH was later taken into the Post Office at Camden, N. J., to a room on the third floor. The form titled "Interrogation; Advice of Rights" was read to SWINGLISH and he then read the form. SWINGLISH refused to sign this form. He was also advised of the charges against him.

SWINGLISH was strip searched and then questioned. The only questions he answered were those listed on his drivers license. He did not answer these questions directly but would nod an affirmation or say, "That's what it says on the license."

The only information volunteered by SWINGLISH occurred during the strip search. When he emptied his pockets SWINGLISH stated that after four years in the Navy he still was not used to Navy pants. When questioned about service in the Navy, SWINGLISH said, "I've already talked too much."

As previously noted, TOSI was apprehended by Special Agents of the FBI on August 22, 1971, at 21 North Fourth Street, Camden, N. J. On the same date she was afforded a hearing before U. S. Magistrate CHARLES L. RUDD and was remanded to the custody of the U. S. Marshal in lieu of \$5,000 bond. She was released on September 3, 1971, after posting a ten per cent cash for security on a \$5,000 bond which had been set or the Third Circuit Court of Appeals, Philadelphia, Pa., on September 3, 1971.

A search of the fingerprints of SARAH JANE TOSI has failed to disclose prior arrest data contained in the files of the Identification Division, FBI, Washington, D. C.

Date August 23, 1971

At approximately 4:35 a.m., the residence at 23 North 4th Street, Camden, N. J., was entered through the front door, which was open, and numerous other FBI agents were already in the house.

After assisting in conducting a brief search of the house, three individuals were located in the second room on the first floor as you enter the house. These individuals were two white females and one white male who would not identify themselves. They were verbally advised of the agents' identity by show of credentials, and of the charge of conspiracy to destroy government property. They were placed under arrest and were placed against the wall, where they were patted down for possible weapons. SAs PHILIP E. BROWN and KLAUS C. ROHR were specifically requested to observe the patting down for these weapons, and then the pockets of the individuals were emptied and the contents were placed at their feet.

One of the white females, who later identified herself as SARAH JANE TOSI, was handcuffed and taken to the Bureau car to await transportation to the U. S. Post Office in Camden, N. J., for processing. The items which had been taken out of TOSI's pockets were as follows: one one-dollar bill, three quarters, two dimes, one penny, and one mechanical light blue pencil with the following information on the pencil: "Vic's Cafe, 852 Ferry Avenue, Camden, N. TOSI was given an Interrogation; Advice of Rights form which she read and she was also verbally advised of what that rights form meant. She stated she understood what the form said, and her rights, but she did not wish to sign this form, nor would she give any information regarding her arrest or the charges against her.

She was again advised that the basic charge against her was for conspiracy in connection with the destruction of government property. She was photographed, fingerprinted and strip searched by Bureau employee TRUDY A. CROUTHARMEL. She was allowed to rest and walk around in the room where she was being interviewed and she used the women's rest room a few times and obtained drinks or water whenever she requested. She was asked continually if she was all right and if she wanted anything and each time she would either say "no" or "I am fine."

At approximately 10:26 a.m., she was allowed to place a collect call to a person she claimed as being a friend by the name of MARY ANN WOODWARD, area code 617-261-3301, which she stated was in Boston, Mass. TOSI stated that WOODWARD was divorced, and then she spoke to the party on the other end of the line. TOSI told the party that she was under arrest and requested the party to call her mother in care of a Mr. A. W. GEROSA and to call a lawyer, and "I am only being held on a conspiracy charge, no big thing." TOSI advised that A. W. GEROSA was a great-uncle by marriage and lived in East Marion, Long Island, N. Y.

At approximately 12:16 p.m., TOSI was taken to the U. S. Marshal's office and from there was transported to a courtroom and appeared before the U. S. Magistrate, CHARLES L. RUDD. TOSI was held on \$5,000 good bail.

Prior to TOSI being taken to the U. S. Marshal's office, she was given a copy of an inventory of items removed from her person which consisted of one dollar, three quarters, two dimes, one penny and one mechanical light blue pencil with the following information on the pencil: "Vic's Cafe, 852 Ferry Avenue, Camden, N. J., Phone EM 5-0993."

TOSI stated that her mother was vacationing with GEROSA and was only there temporarily.

ROBERT WILLIAM WILLIAMSON

As previously noted, WILLIAMSON was apprehended by Special Agents of the FBI on August 22, 1971, inside the Post Office Building, 401 Market Street, Camden, N. J. On the same date he was afforded a hearing before U. S. Magistrate CHARLES L. RUDD, Camden, N. J., and was remanded to the custody of the U. S. Marshal in lieu of \$25,000 good bail. He was released on September 7, 1971, after posting ten per cent cash or security on a \$10,000 bond which had been set by the Third Circuit Court of Appeals, Philadelphia, Pa., on September 3, 1971.

Det. 8/21/71

At approximately 4:35 a.m., August 22, 1971, the Selective Service office and surrounding area located on the 5th floor, U. S. Post Office, 401 Market Street, Camden, New Jersey, was entered by Special Agents of the Federal Bureau of Investigation. SAs DONALD S. DEMBAUDT and THOMAS E. TIERNEY entered the immediate area and parapet surrounding the Selective Service Office by way of the building fire escape. SAs ROBERT H. WALLER and JOE R. GINGRICH entered the Selective Service Office through the front door, which entered onto the 5th floor corridor.

Upon entrance into this space, SAs DEMBAUDT and TIERNEY, WALLER and GINGRICH announced the FBI's presence and instructed everyone to remain as they were until told to do otherwise.

Two individuals who were later identified as ROSAMUND E. REILLY and ROBERT W. WILLIAMSON were observed by SA TIERNEY as they were sitting on the parapet on the north side of the building between the wall surrounding the parapet and an open window of the Selective Service Office. When observed, they were sitting among Selective Service records which had been piled on the parapet. SA TIERNEY placed them under arrest and assisted them in through a window into the Selective Service Office where they were told to lie on the floor. No questions were asked of them except their names.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 9/2/71

On August 27, 1971, Special Agents MARTIN J. GASS, THOMAS E. TIERNEY and ROBERT H. WALLER went to the residence of 130 North 4th Street, Camden, New Jersey, in an effort to locate and apprehend Reverend EDWARD J. MC GOWAN, a federal fugitive. Information had been received that he was at the address of DALE S. CUNNINGHAM.

Special Agents (SAs) WALLER and TIERNEY went to the front of the residence and SA GASS went to the rear door.

In the act of going up the steps to the front door, which was open, a house number was not observed, Miss LIANNE MOCCIA, who had been arrested in the act of destroying Draft Board records in Camden, New Jersey, on August 22, 1971, was observed at the front entrance and when she saw the approaching agents, she ran quickly inside.

A white male, later identified as DALE S. CUNNINGHAM, met SAS TIERNEY and WALLER on the front steps and foyer.

SA WALLER identified himself and SA TIERNEY and explained the reason for their presence, namely, the existence of an arrest warrant for EDWARD J. MC GOWAN and there was information that MC GOWAN either was at this residence or had been there a short time ago, and would he produce MC GOWAN or permit a search of this property in order to locate MC GOWAN.

CUNNINGHAM became outraged and stated that no one was going to search this property and refused to confirm or deny the presence of MC GOWAN. The agents left the premises.

SA WALLER then telephonically verified that MC GOWAN was definitely believed to be at CUNNINGHAM's residence.

SA WALLER again proceeded to the CUNNINGHAM residence, 130 North 4th Street, Camden, New Jersey, with the following SAS:

Upon arrival, CUNNINGHAM was again in the foyer, as if expecting someone. SA WALLER again identified himself by displaying his credentials again, and identified the other men as SAS of the Federal Bureau of Investigation (FBI).

CUNNINGHAM was advised that the information that MC GOWAN was at this residence was considered reliable and that the agents would like to search the residence. At this point CUNNINGHAM said, "No, you are not going to search my house", and proceeded to lash out at SA WALLER with his left forearm and elbow, striking SA WALLER in the left jaw. He then placed his open right hand on SA WALLER's face and struck out at SA WALLER with his hands and arms. With his left arm, he grabbed SA WALLER around the neck and lifted up.

With the help of SAS DEBBAUDT, OWENS, and TIERNEY, with SAS CARROLL and GASS attempting to get into the small foyer area, CUNNINGHAM was subdued and placed under arrest, being so advised by SAS OWENS and WALLER.

CUNNINGHAM was taken to the Camden, New Jersey, Office of the FBI by SAS DEBBAUDT and OWENS.

SAS CARROLL, GASS, TIERNEY and WALLER searched the premises at 130 North 4th Street, Camden, New Jersey, but MC GOWAN was not located on these premises.

At this residence were also two other males, LIANNE MOCCIA and two other females, all of whom refused to identify themselves except PHILIP TRACY.

TRACY stated to SAS WALLER and CARROLL that he was employed by the Village Voice, 80 Union Place, New York City. New York, telephone number 212-WA 4-4669. TRACY also volunteered that he could not understand nor explain why CUNNINGHAM had become so violent and acted the way he did in view of the gentlemanly conduct of agents and if he had been in charge here, this would not have happened, since CUNNINGHAM's actions were unnecessary and unreasonable.
